what d'ye lack,  
handsome?

is it social  
deviance?  
a venereal  
disease?

or maybe  
you just need  
a girl to sit  
on that  
pretty face.

whatever it  
is, handsome,  
you're sick for  
missing it.

I wish to  
be reunited  
with my  
love who is  
dead.

of course  
you do,  
handsome.

I should  
have  
guessed.
